## Talai Berri winery

Talai Berri Txakoli winery is a small, family-run business located on the sunniest slopes of Zarautz.

In such a privileged environment, they pamper 12 hectares of our own vineyards and they are committed to producing Txakoli with its own personality and quality guarantee, combining tradition and modernity.

You will meet their facilities where the traditional txakoli is made and after the visit you will taste typical products of the area accompanied by a txakolis tasting.
